

Transactions that make a difference

Support the Cancer Resource Center of the Finger Lakes
with a Community Support Account.™

How it works

Alternatives FCU will make a payment to the Cancer Resource Center based on the balances in your account and the accounts of all the other members who have signed up.

Instant \$30

\$30.00 for each new member opening a CSA checking account.

Annual 1.0%

For new personal and auto loans, Alternatives donates 1% of the average loan balance for the first year to your chosen non-profit.

0.10% Annual

Alternatives donates .1% of the average balance of qualified deposit accounts to your chosen non-profit.

*Program rules and restrictions apply.

Already a member

Contact us to let us know that you would like to switch your account(s) to the Cancer Resource Center account. Your account remains the same—Alternatives makes a donation on your behalf.

Become a member

Alternatives Federal Credit Union is a designated Community Development Credit Union (CDCU) and cooperative. Become a member by depositing \$5.00 to open a new account and paying a one-time \$20.00 membership fee. Our transaction services are available to anyone who lives, works or worships in Tompkins or six contiguous counties in Central New York. All of our products and services support our mission to build wealth and create economic opportunity for underserved people and communities. Our unique Community Programs, supported by our 501c3 affiliate Alternatives Impact, offer a multitude of financial educational opportunities and more. Visit alternatives.org for details.
